

1. WHAT IS THE PRODUCT ABOUT

Boost Biz Merchant B2B Wallet is a network based electronic money (e-money) application ("Boost Biz Merchant Wallet") with QR code functionality, which contains a monetary value that has been pre-loaded by the Boost's merchant as a "User". User is required to pre-load the Boost Biz Merchant wallet before making payments ("transactions"). The value will be deducted from the Boost Biz Merchant Wallet whenever the transactions are made and limited to the amount of money value stored in the Boost Biz Merchant Wallet at the time of the transaction. Users may use the Boost Biz Merchant Wallet for the following:

- (i) Payment to Boost and/ or Partners
- (ii) Cash-in such as Settlement to Boost Biz Merchant Wallet;
- (iii) Cash-out to user's designated bank settlement account.

2. WHAT ARE THE REQUIREMENTS TO REGISTER FOR BOOST BIZ MERCHANT WALLET?

A. Requirement

Only an APPROVED BOOST BUSINESS MERCHANT is allowed to register as a user of the Boost Biz Merchant Wallet.

B. Registration

The successful registration is subject to you being approved as Boost Business merchant and you have agreed to the Merchant terms and conditions, privacy notice and acknowledgement on this Boost Biz Merchant Wallet product disclosure sheet.
